

An aerial photograph of a large-scale demolition site. The foreground and middle ground are filled with a vast expanse of rubble, twisted metal, and debris. In the background, a city skyline is visible under a hazy, overcast sky. The Sydney Football Stadium is partially visible on the right side of the image. The overall color palette is dominated by blues and greys, giving it a somber and industrial feel.

‘Moving’ the Powerhouse Museum: an inevitable disaster!

The Powerhouse Museum in Ultimo is to be partially closed on July 1 2020 preparatory to its demolition and removal to Parramatta

**The museum must not go
the way of the
Sydney Football Stadium!**
